#### THE DEPED VISION

We dream of Filipinos
who passionately love their country
and whose values and competencies
enable them to realize their full potential
and contribute meaningfully to building the nation.

As a learner-centered public institution, the Department of Education continuously improves itself to better serve its stakeholders.

#### THE DEPED MISSION

To protect and promote the right of every Filipino to quality, equitable, culture-based, and complete basic education where:

**Students** learn in a child-friendly, gender-sensitive, safe, and motivating environment.

**Teachers** facilitate learning and constantly nurture every learner.

**Administrators and staff**, as stewards of the institution, ensure an enabling and supportive environment for effective learning to happen.

**Family, community, and other stakeholders** are actively engaged and share responsibility for developing life-long learners.

#### **OUR CORE VALUES**

Maka-Diyos Maka-tao Makakalikasan Makabansa

#### **OUR MANDATE**

The Department of Education was established through the Education Decree of 1863 as the Superior Commission of Primary Instruction under a Chairman. The Education agency underwent many reorganization efforts in the 20th century in order to better define its purpose vis a vis the changing administrations and charters. The Department of Education was eventually mandated through Republic Act 9155, otherwise known as the Governance of Basic Education act of 2001 which establishes the mandate of this agency.

The Department of Education (DepEd) formulates, implements, and coordinates policies, plans, programs and projects in the areas of formal and non-formal basic education. It supervises all elementary and secondary education institutions, including alternative learning systems, both public and private; and provides for the establishment and maintenance of a complete, adequate, and integrated system of basic education relevant to the goals of national development.

#### **GOVERNMENT SERVICES OFFERRED**

#### I. EXTERNAL SERVICES

In consonance with Republic Act 11032 or the Ease of Doing Business and Efficient Government Service Delivery Act of 2018, the Schools Division of Ozamiz City has formulated its Office Citizen's Charter. It aims to streamline its systems and procedures in the delivery of basic government services<sup>1</sup>.
