SUBJECT: REITERATION ON THE USE OF PICK-UP VEHICLES FOR THE
USE OF DEPED ENGINEERS

FROM: 
Undersecretary for School Infrastructure and Facilities

DATE: January 24, 2023

The Office of the Undersecretary for School Infrastructure and Facilities (OUSIF), through the Education Facilities Division (EFD), has been receiving several reports that Official DepEd Pick-up Vehicles issued to Regional and Division Engineers for monitoring and validation of School Building Projects are being used for other purposes other than their intended use.

The service pick-up vehicles were issued to Regional and Division Engineers to support them in their validation, monitoring and other related activities relative to the implementation of the School Building Program.

This reiteration is being made to emphasize that the issued pick-up vehicles are primarily for the use of DepEd Engineers. Only in times of calamities can they be used by the DRRMO Coordinator for post-damage assessment activities or other activities of the Region/Division Offices.

For information and strict compliance.
