Duterte, the Center for Human Research and Development Foundation Inc. is pleased to organize a professional development program which aim to strengthen the role of teachers as part of the curriculum support system through effective instructional planning, contextualization of lesson and the use of interdisciplinary approach to create authentic assessments. We are pleased to invite you to the **International Seminar Workshop on Teaching Strategies and Assessment for K to 12 Education & National Teaching Demonstration Exhibition for Math, Science, English, Filipino, Araling Panlipunan, TLE, Computer, MAPEH, EsP with NEAP Recognized Program on Effective Curriculum Implementation** with NEAP program title Reimagining Education through Effective Curriculum Implementation (PD-2021-0024-0706) on September 22-24, 2023 in Macasandig Training Facility, Xavier University Grade School Department, Macasandig Cagayan de Oro City. this training can boost the MATATAG curriculum as it bears NEAP recognition from NEAP Central Office- Quality Assurance.

Program rationale:

This training program revolves around the NEAP recognized program on effective curriculum implementation which focuses on the role of teachers in ensuring pedagogically sound instruction and assessment in the classroom. Regardless of the teacher's area of expertise, they are expected to manifest competencies that will address the diverse needs of the learners. Through the help of teacher-leaders in various educational settings, the sessions will help teacher-participants to affirm, to enhance and to further develop their own teaching practices through reflective practice in teaching.

The teacher-participants are expected to:

1. Practice reflective-teaching by being critical on their teaching practices such as instructional planning, delivery of instruction and conduct of student assessments.
2. Gain in-depth understanding of evidence-based teaching practices for K12 Education like constructive alignment by unpacking the performance and content standards.
3. Develop and apply competencies expressed in DepEd PPST in specific areas of content knowledge pedagogy, curriculum and planning, assessment and reporting.
4. Benchmark from other educators and practitioners of appropriate teaching strategies
5. Improve teaching practices by simulating instructional strategies and different types of Learner-centered assessments.

What are the benefits from attending this seminar-workshop?

1. Learn from the highly proficient teacher-leaders in their respective educational institutions with strong experience here in abroad
2. Improve your teaching portfolio, gain better understanding how to move from one career stage to another in your RPMS-PPST
3. Earn certificate that you can apply for CPD points under self-directed process in Professional Regulation Commission. This can be used for LPTs license card renewal.
4. Earn NEAP professional development points useful in DepEd career progression (ranking/ promotion, reclassification)
5. Visit historical places and scenic places in Cagayan de Oro City
