NIMFA R. LAGO, PhD, CESO VI
Schools Division Superintendent
SDO Ozamiz City

To Whom It May Concern,

Subject: *Invitation to Participate in National Competitions Organized by Philippine Education Nexus (PEN) Inc.*

We hope this letter finds you well. Philippine Education Nexus (PEN) Inc., a non-stock and non-profit organization officially registered with the Securities and Exchange Commission (SEC) under registration number 2024070159292-15, is pleased to extend an invitation to your esteemed school to participate in our upcoming national competitions.

As part of our commitment to enhancing students' skills in various academic domains, we are excited to introduce the following competitions:

1. *National Athletics Challenge* which will be held on October 20, 2024.
2. *National Linguistic Challenge* which will be held on February 11, 2025.
3. *National Scientific Challenge* which will be held on May 19, 2025.

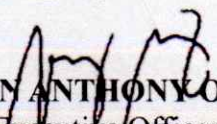

Our primary objective is to support and promote the development of mathematical, linguistic, and scientific skills among students. These competitions provide an excellent platform for students to showcase their talents, engage in intellectual challenges, and gain recognition for their achievements.

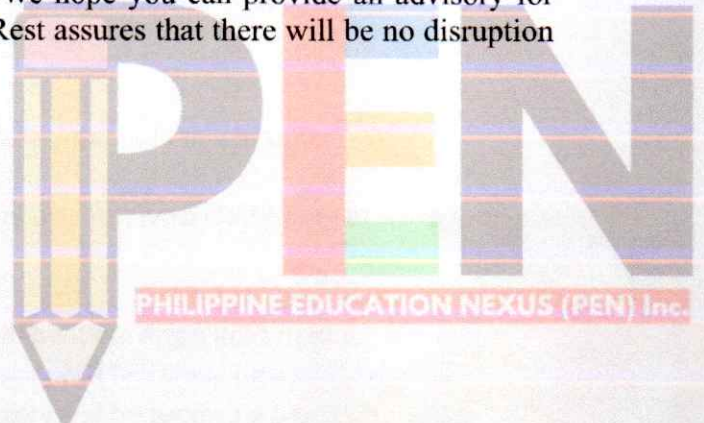

We believe that your students would greatly benefit from the opportunity to compete at a national level, interact with peers from various schools, and learn from experienced professionals in their respective fields.

We are looking forward for your participation and support in promoting the enhancement of EnSciMa education among our Filipino learners. We hope you can provide an advisory for *voluntary participations* of schools and learners. Rest assures that there will be no disruption of classes will be made.

Thank you for your attention and support.

Yours sincerely,

BRYAN ANTHONYO. SARIO
Chief Executive Officer
Philippine Education Nexus (PEN) Inc.

A. What is the NATIONAL MATHLETICS COMPETITION?

The NATIONAL MATHLETICS COMPETITION is an online national Mathematics competition open to all students enrolled in the Philippines from Grade 3 to Grade 12.

It has a clear mission focused on enhancing students' intellectual abilities, particularly in mathematical, logical, and computational skills. This emphasis on core cognitive skills is essential in preparing students for success in various academic and professional pursuits.

B. Format

There will be a 30-item multiple choice type of question good for 1 hour.

Question Number	Points per Number	Total Points
1-10	2	20
11-20	3	30
21-30	5	50
Highest Point		100

Students can be categorized according to their grade level for the school year 2024-2025. Only students who are enrolled in the Philippines can join the competition.

- Novice Numerators - Grade 3 and Grade 4
- Intermediate Math Maestros - Grade 5 and Grade 6
- Advanced Arithmetic Aces - Grade 7 and Grade 8
- Proficient Problem Solvers - Grade 9 and Grade 10
- Masterful Mathematicians – Grade 11 and Grade 12

C. Topics Covered

There are five (5) categories namely: Algebra, Combinatorics, Geometry, Logical Analysis, and Number Theory.

Mock test will be sent after the registration period (October 1 onwards).

D. Awards

The awards committee will recognize the participants in this manner:

The top 30% of the participants per category will receive a Certificate of Recognition and medal.

Top 10% of the participants per category will be receiving a gold medal.

Top 11% - 20% of the participants per category will be receiving a silver medal.

Top 21% - 30% of the participants per category will be receiving a bronze medal.

Lower 70% of the participants shall receive either of the following:

Top 31% - 50% of the participants per category will be receiving an Achiever Certificate.

Top 51% - 75% of the participants per category will be receiving a Merit Certificate.

Top 76% - 100% of the participants per category will be receiving a Participation Certificate.

Winning Coach will be given a certificate of recognition as winning coach.
