## Message

Today, the Filipino nation celebrates another significant milestone in our collective pursuit of educational excellence. As learners of the Basic Education Curriculum, you have successfully reached a defining moment: completing your respective academic levels as completers and graduates of School Year 2024–2025.

The path you have taken has been far from easy. Challenges, uncertainties, and unexpected turns filled it. Yet, you persevered. The acquired knowledge, the honed skills, and the learned values—resilience, collaboration, camaraderie, and unity—have not only equipped you for the next chapter of your academic journey but have also prepared you to become responsible, empowered citizens of our nation.

Guided by this year's graduation theme, **“Henerasyon ng Pagkakaisa, Kaagapay sa Bagong Pilipinas,”** your achievements validate the strength and potential of a united Filipino youth. Your generation stands as a lighthouse of hope—capable, driven, and ready to contribute meaningfully to nation-building and societal transformation.

True to the mantra of the Schools Division Office: **Securing Minds, Creating Sparkling Futures**, we extend our most profound appreciation to the teachers who have tirelessly nurtured your minds and hearts reinforcing the **PANDONG** (Proactive, Adaptive, Nurturing, Disciplined, Objective, Noble, and Global) traits; to the parents and families who stood by you with unwavering support; to the school leaders who created inclusive and supportive learning environments; and to all stakeholders who played a role in shaping your journey.

As you take on new challenges and embrace greater responsibilities, may you continue to uphold the core values of the Department of Education: **Maka-Diyos, Maka-tao, Makakalikasan, at Makabansa**. In a world of diverse beliefs, cultures, and perspectives, may you always lead with respect, empathy, and integrity—fostering unity in diversity toward a more inclusive and progressive Philippines.

## Message

To the graduates and completers of School Year 2024-2025, today marks more than just the end of your academic journey — it marks the beginning of your purpose as individuals entering the world as *changemakers, visionaries, and builders of a better tomorrow.*

With this year's End-of-the-School Year Rites' theme: **"Henerasyon ng Pagkakaisa, Kaagapay sa Bagong Pilipinas"** (*Generation of Unity: Partners for the New Philippines*), you are all reminded that you carry a powerful calling: *to rise above differences, to build bridges and strengthen relationships, and to dream not just for yourselves, but for one another.*

This milestone serves as a reminder that each of you has a part to play in creating a more compassionate, just, and forward-thinking Philippines, in addition to celebrating your diligence and tenacity. Whether your path leads you to classrooms, communities, offices, or the frontlines of change — *know that your voice, your decisions, and your compassion matter.* The diplomas and certificates that you hold today are not just symbols of knowledge; but of your responsibility to use that knowledge for the good of all.

Be proud of your achievement, but stay grounded. Be bold, but stay compassionate. Let your achievements uplift others. Let your voices speak for those who have none. And most importantly, let our unity lead the way toward sustainable growth and shared progress. As partners, may we never tire of lifting each other up; of fighting for truth, of dreaming beyond the impossible.

Congratulations, dear graduates and completers. The New Philippines is in your hands — and in your hearts. You are a generation that will move the City of Ozamiz and our country in general towards genuine progress.

Soar high Batang Ozamiznon! A promising future awaits you.
