1. In reference to DepEd Order No. 031, s. 2021, titled "*Operational Guidelines on the Implementation of the School-Based Feeding Program*", this Office informs all public elementary schools implementing the School-Based Feeding Program (SBFP) of the scheduled delivery and distribution of Nutritious Food Products (NFP) and packed pasteurized milk (PM) to identified learner-beneficiaries. The distribution shall commence on July 14, 2025, and shall conclude on December 19, 2025.
2. The feeding program shall run for 120 days, offering Nutritious Food Products (NFP), along with a 15-day distribution of fresh milk packs. Refer to *Attachment A* for the detailed delivery and distribution schedule for the 3,805 beneficiaries of the Nutritious Food Products (NFP), and to *Attachment B* for the milk pack delivery schedule, which covers 3,113 beneficiaries.

5. In addition, school heads are required to submit the Program Terminal Report (PTR) using SBFP Form 7A to the Schools Division Office, attention: Salome T. Villa, Nurse II, within two (2) weeks after the program concludes, for consolidation purposes.
